

sleep me

Dream Inspired by Nature!

We know how to make the world a better place!

A good night sleep is the superpower that gives us the strength to live and enjoy our lives to the full. Quality sleep changes everything – it makes us joyful, energetic and more productive. Knowing that sleeping soundly can actually make the world a better place, we created **SleepMe – sleep inspired by nature!**

Nowadays, we pay more and more attention to living healthily – we strive to follow a balanced diet, spend time in nature and actively participate in sports. We want to escape from the fast pace of life and enjoy the little, yet important, moments slowly and calmly. But do we pay enough attention to **sleep**? Do we take the best out of the time, dedicated to **rest** and **recovery**?

To guarantee you a restful sleep, we created products that can turn every yawn into a smile. Because we know that **improving the Quality Of Your Sleep** can also **improve the Quality Of Your Life!**

Sleep Detox

SLEEP DETOX – the best way to cleanse your body while you sleep!

The collection, enriched with active carbon, neutralises toxins, prevents formation of unpleasant odours, static electricity and moisture in sleep products.

The memory foam and textiles enriched with carbon help to remove unpleasant odours and excess static electricity, providing deep and stress-free sleep.

Through the special Fragrance Active technology the memory foam is additionally enriched with refreshing ocean scent.

Sleep Relax

CHAMOMILE
PURE

SLEEP RELAX – relax instantly!

Known for its soothing and healing properties, chamomile is familiar to us from a very young age. Its aroma encourages relaxation and lowers feelings of tiredness and fatigue. It also has anti-inflammatory and anti-allergy properties.

The chamomile extract added in the memory foam and textiles of the products makes this collection extra comfortable and relaxing.
